

MUHAMMAD AZMEER SHAH

JNR. FRONTEND DEVELOPER

PROFILE

Creative and dedicated Front-End Developer with a proven track record of crafting user-friendly websites. Leveraging a solid foundation in HTML, CSS, JavaScript and JQuery with some learning in React Js projects. I bring a wealth of experience gained during my internship at Fossphorus. Passionate about staying abreast of industry trends, I consistently deliver high-quality work and engaging user experiences. Eager to contribute my skills to innovative projects and continue evolving in the dynamic field of web development.
